

MARIA KELLER

DIGITAL ARTIST

HELLO

I am a 31 year old freelance digital artist from Mexico City (Mexico). I love everything that is related with design, animation and cartoons.

I have 6 years of freelance experience, working on a variety of projects from art for video games to motion graphics for advertising. I enjoy working hand to hand with my clients; I am a true believer that feedback leads to the best result any project can get. If you would like to work together please don't hesitate and contact me
